Dear sir,

I received this today and wish to highlight a number of aspects.

Have your say: Parking Standards for New Developments Supplementary Planning Document

1. Cars and SUV's are much wider than MfS2 (we await MfS3).

I have undertaken research over a number of years based on published information. What Car and Autocar.

The data is attached.

2. An appeal I dealt with. Garage Conversion.

3. I have a parking web site that covers most of the English LPA's. It also has highway and transportation appeals.

- Parking Standards
- Parking Planning Appeals

This website provides local authority documents of parking standards to assist Transport Consultants in researching and analysing car parking standards in respect of new residential and commercial development in the UK

It may assist in the research for your standards.

Regards
