Dear Sir/Madam

**Central Bedfordshire Housing Policy Technical Guidance Supplementary
Planning Document**

Thank you for your email inviting Historic England to respond to the consultation on a draft Housing Policy Technical Guidance Supplementary Planning Document.

On the basis of the information available to date, we do not wish to offer any comments.

We do however recommend that the advice of your local authority conservation and archaeological staff is sought as they are best placed to advise on local historic environment issues and priorities, including access to data, indicate how heritage assets may be impacted upon by the plan, the design of any required mitigation measures; and opportunities for securing wider benefits for the future conservation and management of the historic environment.

Please do not hesitate to contact us if you have any questions.

Yours sincerely,

Debbie Mack
