I have pleasure in enclosing representations on the Central Bedfordshire Local Plan Regulation 18 consultation on behalf of my client Willis Dawson Ltd for land at Eaton Bray.

Please note that the representations comprise a report and four Appendices, the third of which is a large electronic file and has been submitted by 'WeTransfer'.

I would be most grateful if you could please confirm receipt of the representations and keep me advised of the progress of the plan's preparation.

A hard copy of these representations will follow in the post.
Yours faithfully,
